MEMBERS OF CAPRO BOARD OF DIRECTORS

PERSON SPECIFICATION

As a Director of Craigmillar Adventure Project, you should have, or be able to develop with training and support, the following;

- An interest in and a commitment to the aims and objectives of Craigmillar Adventure Project.
- Good communication skills.
- The ability to work constructively as part of a management team.
- Ability to understand and use written information.
- Ability to agree and take ownership of a business plan including financial, policy, regeneration, procedural and legal aspects.

It would also be helpful if you have skills or experience in any of the following areas;

- Experience of representing a community organisation.
- Strategic or business planning.
- Financial management.
- Running a successful business.

Other requirements;

You must be able and willing to attend regular board meetings, sub group meetings and training sessions. These may involve evening and weekend commitments.
